Howardsville Christian School Financial Policies

- Parents enrolling for the first time must pay \$125.00, set-up a tour/interview with the Administrator, complete a registration form, a pastor’s recommendation form, and tuition payment preference form
- Parents re-enrolling their child(ren) must complete a re-enrollment form, tuition payment preference form and include their enrollment fee of \$50.00 per student or \$100 family max. This fee reserves a space for your child(ren) and is only refunded if the application is not accepted by the school board.
- HCS has contracted with FACTS Tuition Management to handle monthly tuition payments. Parents will need to go online to select the payment option that best meets their needs.
- *No student may begin the school year unless all previous accounts have been paid in full. Any exception to this policy will require action by the full school board.*
- *If a family falls behind by two payments, their child will not be allowed to attend class until arrangement for payments have been made with the school board.*
- If your child is in attendance for any portion of the month (whether a new student or exiting for any reason) that full month’s tuition must be paid.
- Financial aid applications and information may be secured from the school office. All families are urged to participate in the Tuition Reduction Incentive Program (TRIP). This program allows parents, friends and family to receive rebates from local businesses which are applied to their tuition account.
- The 10% discount for members of Howardsville Gospel Chapel will be processed through the church.
- The tuition scale is based on estimated budget figures which are calculated on projected enrollment and operational costs. Any significant changes in those projections may necessitate an appropriate increase in the tuition scale.
- Howardsville Christian School does not accept federal and/or state aid in any form for the payment of tuition and fees.

Early K rates	1 st year 4 days	\$2,163
	2 nd year 2 days	\$2,163
	2 nd year 4 days	\$4,264
